Current | prescolite

The RIGHT Downlight

Helping you achieve the **perfect balance** of performance, value, & design.

LITEFRAME® Commercial

Delivering
what matters

The all new LiteFrame® Commercial family delivers what matters most to serve today's commercial & mid-spec market.

RIGHT Features

Providing performance and capabilities essential for today's commercial applications.

RIGHT Value

Optimized for project success while providing flexibility to scale across the Prescolite portfolio.

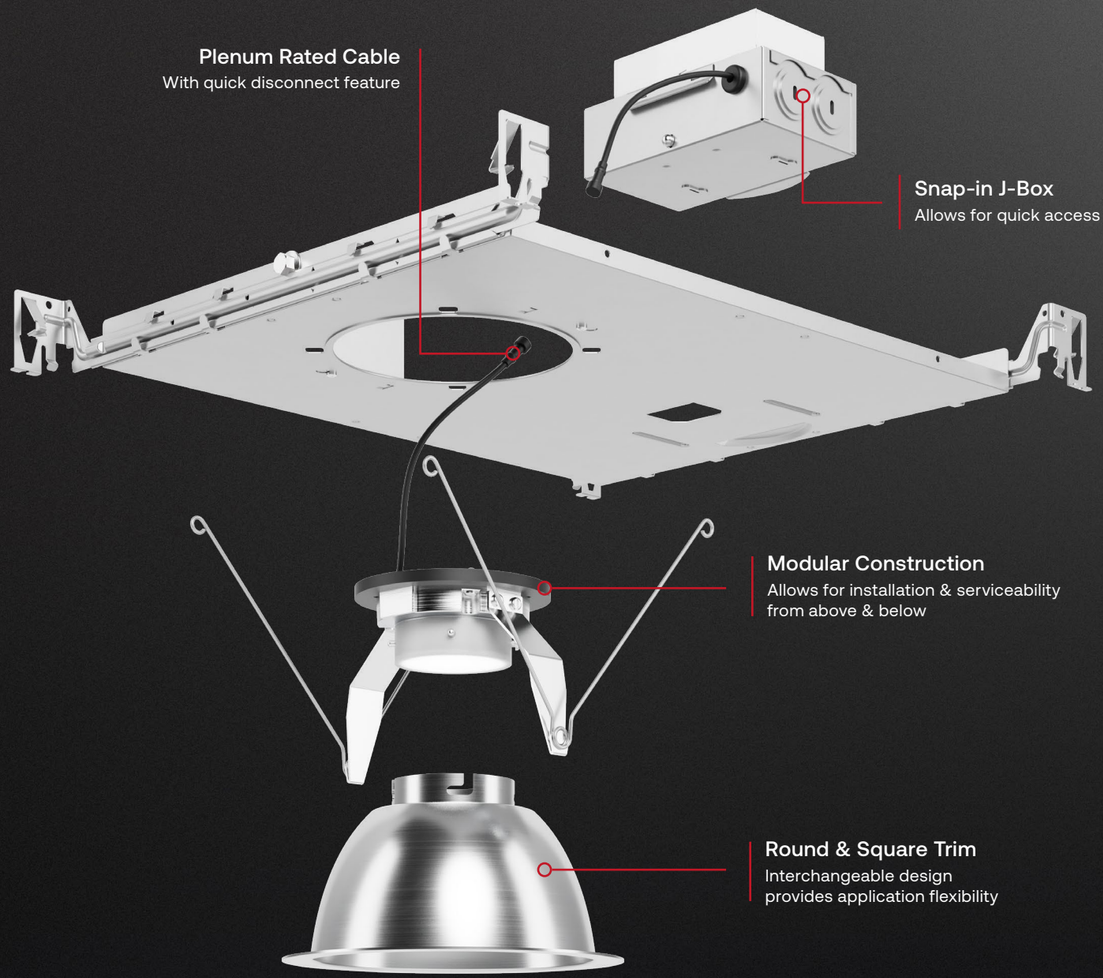

RIGHT Now

In Stock. Ready to Ship. Further availability supported by Current's QuickShip program.

Quick & Flexible Installation

Simple installation & serviceability from **above** or **below** the ceiling plane

Plenum Rated Cable
With quick disconnect feature

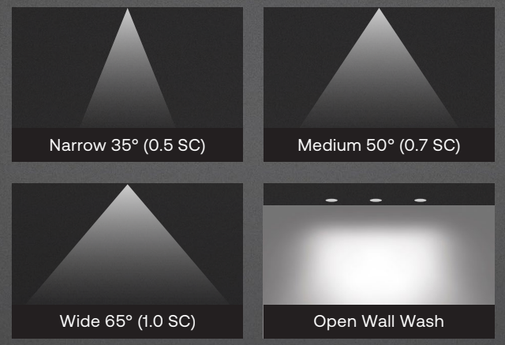

Snap-in J-Box
Allows for quick access

Modular Construction
Allows for installation & serviceability from above & below

Round & Square Trim
Interchangeable design provides application flexibility

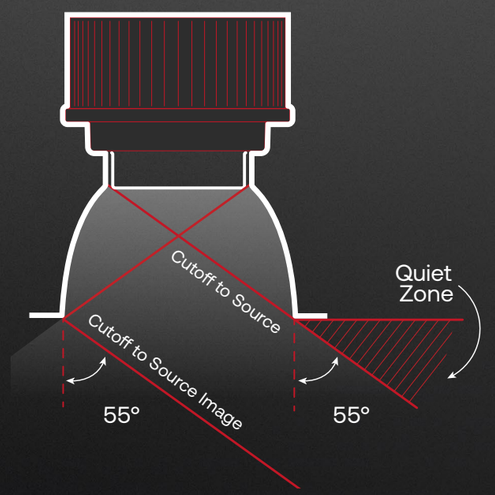

Beam Distributions

Choose from Narrow, Medium, Wide, or Wall Wash options for optimal illumination

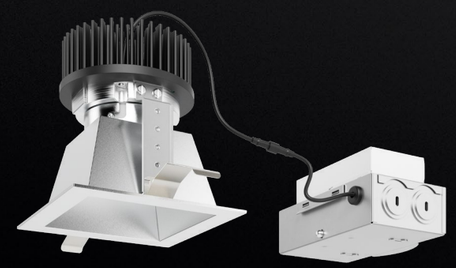

Lumen Output Range of **500** to **5000lm**

Comfortable Visual Cut-off

New Construction & Retrofit Options

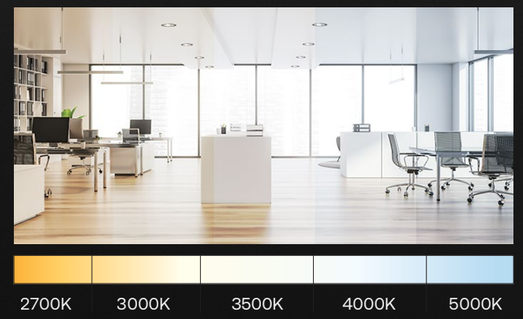

TriGain® technology Comes Standard

Uncompromised **vivid color** with industry-leading **performance.**

Superior Performance
High efficacy 90 CRI

Enhanced Color
Delivers R9 50+ for vibrant color quality

Patented Technology
Narrow-band potassium fluorosilicate phosphor technology improves color rendition

Trim Finish Options

Available with 5 trim finishes Specular, Semi Specular, Softglow (Diffuse), White, and Black

Anodized

Painted
