## Nicolaudie SLESA-U11 DMX Color Controller

AL-60-01-0013

The new SLESA-U11 is built on the latest generation of lighting controllers from Nicolaudie Architectural and combines all our recent innovations.

Programmable with ESA Pro 2 software or with Arcolis, the SLESA-U11 features the new Nicolaudie Stand Alone engine (NSA) offering some great possibilities (multi-zone, extended triggers, 16-bit channels management, etc) and an intuitive backlit keyboard with 10 presets.

Thanks to its Ethernet connection, the SLESA-U11 can be controlled from our Arcolis Remote Pro or Arcolis Remote applications.
