

## GT BUNDLE

### Surface & Recessed Mount Extrusion Bundle

The GT extrusion is simply the go to extrusion for most tape light applications. Featuring a medium height profile that is compatible with all Trulux tape light, the GT evenly diffuses light and eliminates most dotting making for one of the most universal extrusions available for any application.

- Surface or recessed mounting capable
- Medium profile perfect for diffusing light
- Pre-drilled, countersunk holes
- Frosted, UV & flame resistant lens protects light source while evenly diffusing light
- Anodized aluminum provides excellent heat dissipation
- Field cuttable extrusion and lens
- Compatible with 10-12mm wide tape light and most HD connectors

#### Available Finishes

Anodized Aluminum

Black

#### Compatible Tape Light
